You can also be kind to **strangers**: for example, give your seat to someone on a bus. Now, February 17th is Random Acts of Kindness Day. Students help to clean river

By Khadeeja El-Maghrabi

Last weekend, ten students from Class 7
help clean up the part of the riverbank
near the city centre. The students
collected 15 bag of rubbish. Their teacher,
Mr hassan, said the students were sad to
find so much rubbish.

"There were lots of plastic bags and bottles,"
he said. "We even found a old shoe!"
One of the students said, "It was great
to clean the riverbank, but we need to
teach people to be more careful with their
rubbish. Rubbish in the river damages
the wildlife.

Well done to the volunteers!

A trip to Luxor Museum By Hamid

Last week, I went to Luxor Museum with my class. The museum is further from my home than our school. We were travelling for a long time! We arrived at 10.30 am.

As we were walking into the museum, we saw some big statues. My favourite was the statue of Ramses II. There were also rings and necklaces that once belonged to rich Egyptian families. There were a lot of small coins from the same time, too.

The museum has some very old objects. My favourite objects were the metal bowls from the fourteenth century. The oldest objects in the museum were the tools. Some were made of metal and some were made of stone.

While I was reading the information, my friend found a tool that was 10.000 years old.

Thank you for writing to us and yes, we will try to help you. It is normal to think that other people are doing more exciting things than you, but remember: you are wrong! 3

New Hello! English for Preparatory Schools Year Two

New Hello English for Preparatory Schools course has been developed by a team of experts, using modern methodology and approaches.

The main aim of the course is to equip students with the necessary language, thinking and study skills to communicate effectively in English. It guides students to gain the necessary experience and confidence to apply these skills both inside and outside the classroom and beyond school in their current and future lives.

- New Hello English for Preparatory Schools complies with the Ministry of Education framework and standards documentation.
- Interesting cross-curricular topics are presented through realistic situations.
- Each lesson integrates several of the four skills (reading, writing, listening and speaking), linked by a topic.
- New language is taught in context, so students develop learning skills which they can
 use throughout their lives.
- There is a focus on preparing students for the modern world as future employees
 and citizens so that they can deal effectively with the challenges of the modern world.
- Life skills, Values and Issues (such as communication, problem-solving and critical thinking skills, and an awareness of technology) are integrated throughout the course.
- Audio and video materials to accompany the course can be accessed on the Egyptian Knowledge Bank.
- All audio materials are recorded by native English speakers and provide excellent pronunciation models.
- The course maintains a distinct Egyptian focus, with an emphasis on Egypt's place within Africa and the wider world.
