VI- Reading Comprehension (12 Marks)
-Read the following passage then answer the questions below :

Many years ago, all the animals lived together in the forest and the lion was the king. He asked all the animals to bring him nice food every day. One day, the rabbit couldn't bring food to the lion. He was not strong but he was clever. Then, he told the lion that there was another strong lion in the forest and he met him near the river. He told him that he took the food and ate it. The lion went with the rabbit to see the other lion; his **enemy** who ate his food. When the lion saw himself in water, **he** thought this was the other lion. The lion jumped into the deep water and died. All the animals were happy and thanked the clever rabbit for his good idea.
