teacher and she is very tired in the evening, too!

I don't have a lot of free time, but I like to go out with my wife at the weekends. On Friday evenings we usually eat in a restaurant and in the winter we like walking by the lakes near Vancouver. The days are short in the winter, so we get up early on Saturday mornings and drive to the lakes. It's very cold but we walk fast and we take hot tea with us. I love the colours of the trees! When we are tired, we go home and we read or we watch TV. In the summer, I go sailing. I'm in a sailing team and we race on Saturdays. I get up very early on Saturdays in the summer: at 5 o'clock! There's never time to sit back and relax on the boat, but I like sailing a lot! After the race, I meet my wife and we go to the beach and we go swimming. We have a holiday home near the beach. Then we meet some friends and go to a restaurant.

On Sundays we sometime have lunch with our parents. They live in Vancouver, too. My mother and my wife's mother are very good friends. My father and my brother are also in the sailing team, so I see them every weekend in the summer. My life is busy, but I enjoy it!
